RE: Release of Drilling Permits and CD's

Dear Mr. Kifer:

In July of 2002, Dorado Gas Resources, LLC permitted five (5) shallow gas wells and a salt water disposal well in Township 56 North, Range 31 West in Section 31. During July, Dorado Gas Resources drilled the G. Hales 13-31 permit number 20018 and the Norton #11-31 permit number 20017. At this time we have no further plans to drill the remaining four (3) wells and the salt water disposal well. I am requesting the release of the following four (3) drilling permits, the SWD drilling permit and the associated certificates of deposit. Please find the permit numbers we wish to release:

<u>Lease/well #</u>	<u>Permit #</u>	<u>CD #</u>	<u>CD Amount</u>
B. Shoemaker 7-31	Permit #20015	76292	\$3,000.00
R. Norton 5-31	Permit #20016	76291	\$3,000.00
D. Norton 15-31	Permit #20019	76293	\$3,000.00
R. Norton 11-31 SWD	Permit #20020	76289	\$4,000.00

Please let me know if any further information is required to release these Permits and sign off on the signature cards for each of the Certificates of Deposit's. Thank you for your cooperation and continued assistance; it has been a pleasure working with you during the last six months.
